Who is the person in your workplace that has gone further than anybody else to keep people safe?

I'd like to enter them for a Safety Award

*"The John Gordon Safety Person of the Year Award 2018."*

## ABOUT THE AWARD

*The John Gordon Safety Person of the Year Award is designed to celebrate the individual (not a Safety Professional) who has made the greatest contribution to health and safety in your workplace.*

### WHO IS ELIGIBLE

From the sales rep to the security guard, the cleaner to the Chief Executive everyone has their part to play and as such is eligible as long as they are not a safety professional.

The winner will always be the 'unsung hero' and a person who does this not because it is their role but because they believe everyone has a right to arrive home from work safe and unharmed.

### WHAT MAKES A PERSON ELIGIBLE

There are a variety of reasons a person could be nominated. These include:-

- Their handling of a one-off incident/event
- They've created a health and safety related process, project or initiative
- They've demonstrated good all round health and safety practice.
